

PRIVATE DINING ♥ COOKING CLASSES ♥ CATERING

Your chef: Carola

Hola! nice to meet you, my name is Carola, chef and owner of La Sobremesa. I got my passion for cooking from my father, a gifted cook. I still make his recipes from the Eastern cuisine (his favorite) and Mediterranean cuisine every week.

As a professional Private Chef, I have broad experience in providing dinners, lunches and bites & bubbles at home for 2 to 100 people. My work is based on three important values that color my life: the love for what I do, the friendship I cherish for those I service good food, and the aim to make your stay at the Costa Blanca even more delightful.

Hasta luego!

La Sobremesa what's in a name?

Sobremesa, one of the most beautiful expressions in Spanish. Literally means 'Sobremesa' on the table. Figuratively, the long aftertaste with a nice company at the table after a delicious meal. That time after dinner, good conversations, talking about life while enjoying a good glass of wine: Sobremesa.

Great conversations arise naturally during a meal or during the preparation of one. Poner las cosas sobre la mesa, the words that pass across the table. But also literally: Cosas lindas sobre la mesa: beautiful tableware, that provide color and elaborate your event. How beautiful is the combination!
